

UM Summer Undergraduate Research Fellowship (UM-SURF) Report Form

Student recipients of UM Summer Undergraduate Research Fellowship should submit progress reports using this form. Completed reports should be e-mailed to ugresearch@olemiss.edu.

Section A: General Information

Name of Student: _____ Name of Advisor: _____

SURF Project Title: _____

Student Degree Program: _____

Year of Summer Fellowship: _____ Date of this Report: _____

Please indicate whether this report is a:

Mid-Fellowship Report (submitted during the fellowship period)

Post-Fellowship Report (submitted within one month of completion of fellowship)

Follow-Up Report (submitted within 6 months of completion of fellowship)

Final Report (submitted within 1 year of completion of fellowship)

Section B: SURF Research Project Report

Summarize your progress, accomplishments, and outstanding work towards the proposed goals and objectives in the research project for which UM funds were allocated. If, due to changed circumstances or unforeseen obstacles, you were not able to progress on your original project as proposed, please describe what changed, and any revisions to your approach.

Section C: Products

Please provide information and status on any in-progress or completed scholarly products resulting from this fellowship. Products may include, but are not limited to: submitted, accepted, or published *journal articles*, accepted or presented *conference presentations*, *inventions*, *performances*, or *creative works*. Where appropriate, provide citation information that is as complete as you can make it.

Section D: Program Feedback

Please provide any feedback for the administrators of this program. What has gone well? What could have been done better? This feedback may be used to make adjustments or improvements in future years.

Section E: Impact of Fellowship Opportunity

Optional. Please consider providing any information on how having the opportunity to participate in this paid summer research fellowship has impacted your development as a scholar, researcher, or professional, or shaped your future plans. Any information shared here may be used to help us to garner additional investments to extend similar opportunities to more UM students in years to come.

Section F: Signatures

Student Signature:
